

INFLATABLE FOOTBALL POOL

What do you get when you mix Football with Pool? Football Pool!! This fun innovative Football game combines the skill and entertainment of Football and Pool all in one fantastic game. Use your feet to control the balls and pot them into the pockets and with lots of game options available the game can be as long or short as you want it to be.

- **Classic Football Pool** – Played with two players or two teams. Played like a classic game of Pool, break and pot your first ball to decide if you will be spots or stripes. The first player/team to clear the pitch of your balls and sink the black is the winner!
- **Time Trial** – Played with 2 players or two teams. Set a time limit and see how many balls you can pot in this time. The player/team who pot the most balls in the time wins!
- **Champion** – 2 – 4 players. Each player starts the game with a selected number of lives. Take it in turns to try to pot the balls but each miss minuses 1 life. Loose all your lives and your out! The last player with lives left is the winner!

Football Pool is played inside the inflatable surround and is great for indoor and out door use. Perfect for Football themed events, fan zones, corporate and family fun days.
