

PLUCK A DUCK (STEADY HAND GAME)

Go quackers with this steady hand game suitable for one or two players. Start your timer and begin removing those cute little ducks from the game board. Using the magnetic wand and your steady hand make sure you keep your cool as you remove the ducks one at a time. Be careful and don't touch the sides as this will sound the alarm and the duck will fall from the magnetic wand back into the game and you will have to try again.

Pluck a Duck has two game options available:

- **One Player** – Start your timer and see how long it takes you to get to the end. Remove all 6 pieces from the game, setting off the alarm will cause the duck to fall back into place and you will have to try again, all against the ticking clock!
- **Two Player** – Stand opposite your opponent and get ready for battle to commence. Who will be the first to the finish line and remove all their ducks? The times can also be used in two player mode.
