

TABLE TENNIS

Table Tennis is a great activity for all ages to enjoy. Our Table Tennis Tables are official International Table Tennis Federation (ITTF) sized our tables and have been used for family fun days, photo shoots, corporate entertainment, office entertainment, parties and many more events. Our Table Tennis table hire comes complete with two or four Table Tennis paddles and balls.

UV TABLE TENNIS

Add something special to your event with UV Table Tennis. UV Table Tennis is played on a traditional sized Table Tennis Table but what makes it special is the UV lighting and specially designed artwork that brings the game to life. Play your game and watch as the paddles, balls and graphics light up under the ultra violet light. UV Table Tennis will need to be set up in a darkened area to have full effect, making it perfect for evening parties.
