

INFLATABLE UNDER PRESSURE

Guide the floating ball from start to finish in this challenging airplay game that tests dexterity and skill. Played by individuals or in teams.

The air flows through the brightly coloured tubes and you use these to move the ball from the start to finish. Gently move the tubes using your hands to guide the air flow but make sure you keep your movements steady and be careful not to drop the ball or its back to the beginning!

GAME OPTIONS

- **Free Play** – No rules just enjoy moving the balls from one end to the other in your own time. Perfect option for family fun days, let guests explore the activity in their own time and at their own pace.
- **1 vs 1** – Played with 2 players or 2 teams the aim of this game is to be the first to the finish line. Move the ball(s) along the inflatable and into the net at the end but don't drop it or its back to the beginning! The first player/team to the end is the winner!
- **Time Trial** – Played with two players or two teams this time trial is fast and furious fun! Set a time (usually 1 minute) and see how many balls you can get across the game and into the net, if you drop one go back to the start.
